

## OUR DV SYSTEMS AIR COMPRESSOR IS POWERFUL, EFFICIENT AND ALWAYS KEEPS UP TO THE DEMANDS OF OUR OPERATIONS

**BRIAN DELONG,  
MANUFACTURING  
TECHNOLOGIST,  
NORDIC MINESTEEL  
TECHNOLOGIES**

When we asked **Brian DeLong, Manufacturing Technologist at Nordic Minesteel Technologies** in North Bay, Ontario what he thinks about their DV Systems variable-speed, direct-drive rotary screw air compressor, he was quick to say that he's impressed with its efficient, powerful performance and reliable delivery – it continuously keeps up to the demands of their operations, ensuring that all their objectives are consistently met.
